Ringing of Bells - Holy Cross-Immaculata Parish

When the bells ring in our tower, they are a reminder of God's unconditional love and ever-abiding presence in every moment of our lives.

They ring to inspire within us the obedience to God's with which the Most Virgin Mary, the patron of our community, set forth as an example to all who are called to discipleship in Jesus Christ, her son.

FINANCE COUNCIL: SUMMARY OF SEPT. 12 MEETING

The newly restructured Finance Council for our parish met for the first time on Sept. 12. The meeting began with a tour of the rectory so that the members could see the painting, new window installation, and other improvements that have been made to the pastor's living quarters.

The next business at hand was to discuss the Archdiocesan policies regarding the role of the Finance Council. Canon Law requires that each parish have council that serves as an advisory body to the pastor for all temporal concerns of the parish. Fr. Len asked specifically for the assistance of the council in the following areas:

- * to suggest to him best business practices in the overall management of the parish;
- * to monitor the operational budget of the parish and to assist in future budget and fiscal planning;
- * to generate short term and long term goals that will provide for the financial viability of the parish; and
- * to suggest creative ideas for new fund-raising and financial support for the parish.

The Council members eagerly volunteered to help in any way possible and discussed many possible ways that they could work cooperatively with staff members, parish council members and other volunteers to use the resources we have to continue the programs and traditions that have been an essential part of the life of our parish and to support new programs that will provide for the future use of the church, the parish hall and our beautiful grounds.

The final item of business was to review the summary of the fiscal report for 2015-2016 and the proposed budget for 2016-2017. At the Oct. 10 meeting, the Council will have an opportunity to review the fiscal reports and budgets with staff members Letty Hater Schroer and Sarah Neugebauer who have the responsibility of the budget and other financial issues on a day-to-day basis. We also anticipate that the final numbers will be in for the festival. After that time a detailed report will be published in either the bulletin or parish newsletter.

WANTED: DIGITAL SEASONAL PHOTOS OF OUR CHURCH

Fr. Len is in the process of contracting to have the 2017 parish calendar include photographs of our church rather than generic photos or artwork. We would also like to use more photos of our historic church on the cover of the newsletter. If you have photos stored on your smart phone, laptop or tablet that you would like to share, please email them to holymacpastor@fuse.net or contact Fr. Len. We promise to give you credit for any photographs we use—and who knows...we may even offer a prize for any photographs used in any new brochures or pamphlets

WHAT HAPPENED TO THE PARISH INFO ON THE COVER OF THE BULLETIN?

We are in the process of reconstructing the overall appearance of the bulletin so that we will focus more on parish information rather than the information that is sent to us by the archdiocese. We also want it to be easier to read—especially for those with bifocals and trifocals. We plan to print a parish information card that will be available in the church for new parishioners and visitors. Please be patient as we work through this process!
