Once again this year, volunteer greeters will be based on the plaza at the top of the steps. We will have a tent for protection against the weather. The greeters will pass out prayer pamphlets and the votive candles. Greeters will also provide information to the pilgrims regarding locations for confessions, times of services in the church, restaurant locations, hospitality (donuts) and the Fish Fry. We will be adding more candle racks by the crucifix on the outside of the church, Visitors can place their candle outside or they can take the candle inside the church and place it on the communion rail.

Volunteers will be needed again in the church to take the votive candles that are placed on the communion rail and move them to the candle racks in the sanctuary. These volunteers will also instruct visitors how to light their votive candles. The volunteer closest to the side entrance of the church will also point out to the visitors the small bottles of holy water that will be available. Donation box will be available by the candles and by the holy water so that the volunteers do not have to handle any money. Once again we are hoping to maintain a sacred silence in the church. Signs will be posted and volunteers will receive laminated instruction sheets to show to the visitors so that talking will not be necessary.
